EASTER EGG HUNT CANCELED

Due to very wet conditions at the Park on Sunday, March 24th, our annual Easter Egg Hunt had to be canceled. Melanie Johnson and her family worked hard to have candy eggs and prizes for the neighborhood kids to find. Joy Jones planned a bubble machine and a Corn hole Toss game, but the rain did us in.

More children's activities are planned for this spring and summer.

"YARD OF THE MONTH" PROGRAM TO START IN MAY

Starting May 1st, Hunter's Trace will hold a "Yard of the Month" award program. Each resident (owner or tenant) is eligible to participate. The program will be held during the months of May, June, July, and August. The Architectural / Code Compliance Committee will assemble a team of judges who will transverse the neighborhood at the end of each month and select a property that has done an outstanding job. No resident can win twice in the same year so everyone has a chance to win.

The rules for the "Yard of the Month" program will be out soon. We will send the rules to you and will post them on the Hunter's Trace website.

Winners will be awarded a HOME DEPOT gift card.

So, start planting flowers and shrubs, keep mowing the lawn and prune back your shrubs, bushes and trees. **You could be a Winner!**

PARK IMPROVEMENT PLAN

The Hunter's Trace Park & Entrance Planning & Maintenance Committee is soon going to embark on a Park improvement plan. We are looking to engage a licensed landscape architect to help us plan new amenities at the Park to include a possible walking path, new drainage improvements, path lighting, security cameras, and electric power to the Gazebo.

So, what would you like to see at the Park? The committee would like to know your thoughts. Please e-mail your ideas to: Peter Lyon at:

"CUL-DE-SAC SOCIALS"

The Hunter's Trace Adult Social / Welcome Committee is working to develop a few "Cul-de-Sac" Socials for families to enjoy. The Socials will be organized in various sections or cul-de-sac areas within Hunter's Trace and will be a great opportunity for our subdivision residents to get to know one another. Although the events will be hosted in different areas, everyone in the subdivision will be invited.

Our subdivision held many socials in the past but it basically stopped during the "Great Recession." The Adult Social / Welcome Committee is working to bring them back with such activities as "Ladies Night Out", "Bunco Night" and Holiday socials. The Committee is thinking about "Card Game Night", "Dominos Night", and "BBQ's in the Park".

If you think of another activity, please contact Joy Jones:

So, stay tuned. We are working to start something this Spring.

PLEASE, CLEAN UP AFTER YOUR PET!

We all love our pets, but no one likes stepping on pet feces in their yard. It is important to do the neighborly thing and pick your pet's "poop" and dispose of it properly.

According to Cobb County's Leash Law, "Animals are required to be on a leash when outside unless contained by a fence. Pet owners are responsible for collecting animal waste and disposing of it properly. Contact Cobb County Animal Control at 770-499-4136 to report violations. "
