FALL FESTIVAL

The Annual Hunter's Trace Fall Festival was held on Sunday, October 28th.

The Festival featured pumpkin decorating organized by Melanie Johnson and a Bounce House-Castle provided by Eric Cooney. Joy Jones and family and Joseph Johnson provided much needed support and took photos.

Several residents pitched in to help.

Everyone attending had a great time socializing and watching the kids decorate pumpkins and play in the bounce house.

It was a great Fall Festival.

Do you have any ideas for supervised neighborhood children events or activities? We are looking for ideas for 2019.

Residents are welcome to use our neighborhood park and gazebo for birthday parties, cook outs, end-of-school socials and ice cream socials. Contact a member of the HOA Board to get on the schedule.
