## Event: Easter Egg Hunt

On April 4th, Hunter's Trace held its annual Easter Egg Hunt and party for the neighborhood children.

Organized by Melanie Johnson and a group of volunteers, the event featured: games; over 200 plastic Easter Eggs filled with candy were "laid" out throughout the park for the children to find and collect, a "Best Halloween Costume" contest, and a bean bag toss-board was provided by Carl and Joy Jones. Other activities included baseball, and Frisbee tossing.

Neighbors got to socialize and share a beautiful day at the Park. About 20 families enjoyed the event.

## Event: Movie-in-the-Park

Saturday, June 10th, our neighborhood Movie-in-the-Park featured Disney's "Moana"

Neighbors enjoyed watching the children in the Bounce Hose provided by Eric Cooney and then enjoying the movie. Everyone brought their lawn chairs and picnic blankets and many were grilling hotdogs and hamburgers. The Park had been sprayed for misquotes and the weather was great.

It was an enjoyable evening.

## In This Issue:

### Events

### Entrance Sign

### Slow Kids-at-Play Signs

### Park Maintenance

**Entrance Sign:** Our new entrance message sign has been a great addition to keep our neighbors informed.

**Slow Kids-at-Play signs:** These cute little soldiers have gotten some abuse, but they do remind us we have children playing near and on the street.

## Park and Subdivision Improvement / Maintenance:

A lot of work has been accomplished at the Park and at our subdivision entrance. We have repaired the water sprinkler systems and they are now operational. We have cut back bushes at the front entrance. This fall we will be coring and reseeding the grass at the Park.

**We are looking for your ideas on adding features to the Park. Go to: [www.hunterstrace.org](http://www.hunterstrace.org) and contact one of your HOA Board members to give them your ideas.**
